

Is gambling a big deal for young people?

- » Nearly half a million 11-15 year olds in the UK engage in some form of illegal gambling each week (IPSOS Mori 2016).
- » The practical, social and emotional implications are a huge area of concern regarding the welfare of young people.

What can we do about it?

- » GamCare offers **FREE, one-hour interactive awareness workshops** for young people aged 11-18, delivered by our BigDeal Youth Outreach Team.
- » Workshops are ideal for school lessons and youth club sessions.

What do our workshops offer?

- » Young people will gain the awareness, knowledge and skills to make safer choices around gambling.
- » Young people will understand the impact of problem gambling, and recognise the signs of problem gambling in themselves or someone else.
- » Young people know where and how to access help if they need it.

Book your workshop now

Contact your local Youth Outreach Officer to arrange your free workshop:

Megan Pengelly
Youth Outreach Co-ordinator
