JOB PURPOSE: Practitioners provide advice, assessment, brief and structured interventions, group programmes

ACCOUNTABILITY:
Delivery of tasks and activities as agreed with the Team Leader

RESPONSIBILITIES:

Practitioners provide advice, assessment, brief and structured interventions, and group programmes.

Duties and Responsibilities:

Working in a way that recognises and values diversity and with an understanding of the functional model of Problem Gambling, the model of change, CBT and a commitment to Recovery, the practitioner will:

- a) Provide advice, screening, brief and comprehensive assessments with individual, families or couples.
- b) Provide brief and longer term structured interventions.

- c) Develop a care plan and ensure it is implemented and reviewed with the client(s) and monitor outcomes.
- d) Provide case management and ensure integrated pathways.
- e) Provide advice and structured support for affected others.
- f) Provide group programmes and support groups.
- g) Maintain written records and data.
- h) Liaise with agencies, professionals and groups as necessary.
- i) Participate in service promotion and information events.
- j) Work effectively and positively as a team member.
- k) Ensure that all safeguarding issues, including child protection and protection of vulnerable adults, are dealt with in accordance to GamCare policies and procedures, and local and national statutory requirements

General

- a) Keep accurate records and the necessary data for reporting and evaluation purposes.
- b) To undertake training as required by the organisation.
- c) To participate in supervision as required by the organisation.
- d) Take responsibility for personal development and participate in PDR/appraisal process.
- e) To attend meetings as required by the organisation.
- f) To work within GamCare policies and procedures

- g)** To undertake such other duties as required by the organisation.
- h)** To notify the manager of any untoward occurrences which may affect the service, both at a professional and administrative level.
- i)** To provide written records and reports as required by the organisation.
- j)** To be flexible with regard to working patterns to meet the requirements of the service.
- k)** To be willing to travel to locations as required.
- l)** To understand and work with the values, aims and objectives of GamCare

Information Management Systems:

- a)** To ensure clinical case notes (paper-based and electronic) are updated routinely and to write assessment, progress and discharge summaries as necessary.
- b)** To sensitively uphold, as appropriate, GamCare's service procedures to clients, including that pertaining to clients confidentiality, data protection, risk management, data recording and management and the zero tolerance policy of aggressive or violent behaviour towards its staff.
- c)** To provide statistical information and engage in clinical audits and service evaluations as required.

This is not an exhaustive list of duties and responsibilities; the post holder may be required to undertake other duties which fall within the grade of the job, in discussion with the Team Leader

- This job description will be reviewed regularly in the light of changing service requirements. Any changes will be discussed with the post holder.
- The post holder is expected to comply with all relevant policies, procedures and guidelines, including those relating to Equal Opportunities, Health and Safety and Confidentiality of Information, clinical governance and research governance.
