When you submit a complaint to our team, we aim to resolve the issue as soon as we receive this if possible. If this cannot be achieved, a record of your complaint will be passed to the relevant Head of Service.

Your complaint will be investigated within 10 working days, (20 for more complex matters), and we will follow up with you to let you know the outcome.

If you are not satisfied with the outcome, you can contact us within 10 working days to request that this is reviewed by a Director and we will follow up with you to let you know the outcome.

If you have followed this process and are not satisfied with the outcome, you can appeal to the Charity Commission.
